

Chair Airline AG is seeking for

## **Maintenance Control Center Engineer (MCC) & Planning**

to join our dynamic team

The Zurich based headquarters with over 140 employees in cabin, cockpit and office are working together to connect Zurich with vacation destinations around Mediterranean.

### **Tasks and Responsibilities**

#### **2.1 Maintenance Control Center Engineer function:**

- Monitor and ensure highest possible fleet technical dispatch reliability
- Coordinate technical issues with all other operational departments
- Initiate troubleshooting steps and corrective action plan for reported defects
- Coordinate technical feedbacks arising from flight crew, maintenance organizations, etc.
- Ensure aircraft and cabin conditions are maintained to the highest standard
- Monitor the fleet airworthiness during the daily operations
- Lead operational meetings to ensure proper and accurate distribution of relevant information
- Report directly to the NPCA all relevant operational functions and risks

#### **2.2 Planning function:**

- Perform monitoring & schedule maintenance tasks per approved aircraft maintenance program
- Monitor and plan rectification of all deferred defects (including MEL's)
- Coordinate execution of work packages (long term and short term)

### **Requirements**

- Good knowledge of aircraft airworthiness standards
- Good knowledge of international aviation regulation (Part-CAMO, Part-145)
- Good knowledge of the Airbus A320 family and technical background
- Holding part-66, B1 or B2 license on the aircraft type or similar type (is an asset)
- Previous experience in a similar role
- Good communication skills
- Very good time management skills

- Team player and ability to work under time/task pressure
- Working in shifts, stand-by duties and travelling abroad
- Fluent in English language (German is an asset)
- Good knowledge of technical information systems (knowledge of AMOS is a plus)

This attractive but challenging position inside our organization offers you an international working environment with openness to new ideas, which already have been well proven in practice. Creativeness leading to success within this role is welcoming. The competitive salary and fringe benefits build on candidate needs does roundup the position

If you wish to apply for this role, please send your CV directly to **fly@chair.ch**.
