

Chair Airline AG is seeking for

**Technical Pilot Flight operations engineering
and support / Flight Crew Member (Pilot), 70% (m/f)**
to join our dynamic team

The Swiss freshest Airlines based in Glattbrugg with over 100 employees in cabin, cockpit and office staff, we work together to connect our passengers with leisure and ethnic destinations to the Adriatic, the Mediterranean, the Balearic Islands, the Canary Islands and the African continent.

Tasks and Responsibilities:

- Interface between the flight operations, CAMO, the aircraft manufacturer airbus
- Monitors changes in the airbus aircraft manufacturers documentation
- Maintains the manuals provided by the aircraft manufacturer incl. the MEL, CDL, AFM, FCOM and FCTM
- Communicates relevant changes within the organisation
- Ensures the availability and validity of the aircraft manufacturers documentation
- Performance engineering for airport and route performance requirements and runway characteristics
- Executes mass & balance engineering
- Administration of an EFB Power and authority

Qualification requirements:

- technical background in the field of flight operations engineering or similar
- have comprehensive knowledge of:
 - performance and mass & balance requirements
 - the content and structure of the aircraft manufacturers documentation
 - FODM (Flight Operations Document Management) System
- be familiar with human factors principles
- Ideal candidate would have experience in Flysmart, (NavBlue, Airbus)
- Should be computer literate
- Fluent in English (written and spoken), German is an asset

Ideally this position would be fulfilled by a qualified A320 pilot, or a pilot of a similar aircraft class, or a person with experience in the flight operations engineering. This position could be later combined with flying on a Airbus A320 - family.

This attractive but challenging position inside our organization offers you an international working environment with openness to new ideas, which already have been well proven in practice. Creativeness leading to success within this role is welcoming. The competitive salary and fringe benefits build on candidate needs does roundup the position.

If you wish to apply for this role, please send your CV to: fly@chair.ch.

Due to Swiss regulations, we only consider Swiss or EU/EFTA applicants or applicants with a valid work permit.

Our motto is: "everything is a bit smaller, more authentic, more flexible and also a touch more individual".
