

Chair Airlines AG based in Zürich with over 140 employees in cabin, cockpit and office working together to connect Zurich with vacation destinations around the Mediterranean is seeking for

Head of Cabin 100%

Our story started in 2014, operated from Zurich airport, with the aim of establishing a high-quality product tailored to the needs and high demands of the Swiss market. Today, the young airline operates one Airbus A319 and three Airbus A320 aircraft and takes off from Switzerland to popular vacation destinations.

For the motivated fresh team, we are looking for Head of Cabin. Are you the natural born leader with airline experience?

Duties and Responsibilities

- You will be responsible for the development and implementation of the cabin safety requirements described in the FSM and efficient cabin operation
- You will be in charge to implement a high level of knowledge, proficiency, and freshness to all cabin crew members

If you want to be a part of an extraordinary story, you shall have

- 4 years flight experience as SCCM in the airline industry
- Fluent German and English is a must

We also provide you with attractive travel benefits, a competitive salary package and fringe benefits.

Join our team

If you wish to apply for this role, then we look forward to receiving your application with the following documents in PDF format to fly@chair.ch:

- Letter of motivation
- CV with standard information and pictures
- All certificates and diplomas

Due to Swiss regulations, we only consider Swiss, EU/EFTA applicants or applicants with a valid work permit.
